

An Introduction to...

# ...Laser Dentistry

Date: 13th September 2012 6pm-9pm

Location: Perfect Smile Studios, Hertford

"If you've ever wanted to:

Control soft tissue, master bleeding tissues, treat periodontal pockets, treat endodontic root canals, use laser bleaching, use the laser in Low Level Laser Therapy mode to treat aphthae, cold sores and the gag reflex.

This course will not only give you the background and safety information, but clinical input, financial overviews as well as an opportunity for "hands on" on a range of elexxion lasers"

Numbers are limited so call 02031 312 549 to book early

Dr Rahul Doshi BDS (Lond.) LDSRCS (Eng.) is the director and founder of The Perfect Smile Studios and The Advanced Training Institute, where he teaches Interdisciplinary Comprehensive Hands-On Dentistry.
